Re: Petersburg Borough Incorporation Petition; City and Borough of Juneau Annexation
Petition

Dear Chairman Chrystal:

I am one of over 3,400 tribal member shareholders of Goldbelt, Incorporated, an Alaska Native Corporation. Goldbelt has substantial land holdings at Hobart Bay and I am writing to you because I am concerned about the requests pending before the Local Boundary Commission which would include our land within either a new Petersburg Borough or within the expanded borough boundaries of the City and Borough of Juneau.

I object to either of these municipalities including Hobart Bay within their borough for the following reasons:

- 1) The governing bodies of these municipalities would not represent the interests of Goldbelt in improving the status of Alaska Natives in the region.
- 2) Neither Juneau nor Petersburg can provide any noticeable services for taxes which may be levied on our land.
- 3) Hobart Bay should be left in the "unorganized borough" that could be formed into a Chatham-Icy Strait Borough with a predominately Alaska Native population from the communities of Kake, Angoon, and Hoonah.

Thank-you for considering my comments.

Sincerely,

6-2-12

Goldbelt Shareholder
